

EXPLORING MESSY PLAY, INSIDE AND OUTSIDE

Infant Toddler

WED. MARCH 20
5:45 PM -7:45 PM

*Inviting and supporting sensory play with
infants, toddlers and 2's
Active learning involves ALL the senses.*

Community Learning
Center @ the Library
305 S Michigan St,
South Bend, IN 46601
Training room B

Food will be provided

Playing, exploring, discovering, 'messaging about' are what young children do. They need adults who understand how to guide and not direct that play, who can share control as young children learn how the world works and how they work in that world. Come talk about types of sensory play, why young children are drawn to messy play, and the importance of your role in guiding and supporting it. Bring your favorite ideas for sensory play!
